

WILLIAMSTOWN - Your Dream, Delivered

\$749,950

Set on a breathtaking 5 acres with the elevated position of the home taking full advantage of the views, this absolutely stunning property wants for nothing.

With over 30 square meters of luxurious living, this phenomenal home offers four double bedrooms, all with built in robes and main with ensuite with corner spa, together with study or fifth bedroom if required. This home is of majestic proportions, with a large formal entrance and wide hallways. The main living areas are spacious and light-filled, with a combined formal living and dining, huge rumpus / games room adjoining the alfresco area, and split level home theatre!

Only seven years young, the steel-framed home has three phase power throughout, including the 9m x 9m shed with mezzanine, and a separate, self-contained 3m x 9m studio ??? the ideal teenage retreat or granny flat.

Also boasting a salt water swimming pool, and even its own 1.8 mega-litre dam, there are literally too many features to list! In short, this very special property will, without question, impress and accommodate even the most fastidious of buyers in style and comfort.

Inspection is strictly by appointment ??? call today to arrange a time to suit.
