

GAWLER SOUTH - Great Style and Location

\$179,950

This splendid home should definitely be on your wanted list! Situated across from Gawler River parklands and Gawler's new cycle/walking paths this home has many features to offer, and its convenient location is just one of them.

The master bedroom is generous in size with built-in robes and bedrooms 2 and 3 are both roomy and also feature built-in robes. The lounge is elegantly styled and perfectly located away from the casual living areas, and the open plan kitchen is very impressive with plenty of bench and cupboard space. Other features include lavishly decorated soft furnishings, split system heating and cooling and modern stained floor boards flowing throughout the home.

The home is complete with an outdoor undercover entertaining area, large back yard with shade of the established trees and a good sized garden shed for all your storage needs with plenty of room remaining.

All of this within walking distance to the Main Street of Gawler, local schools, shops, public transport and recreational facilities.
