SANDY CREEK - Lot 3 Eagle Pines

\$339,950

At the gateway of the Barossa valley, in the quiet town of Sandy Creek, sits Eagle Pines. With serene views of the Gawler Golf Course this exclusive land release offers a choice of six prime allotments of a generous 1.00 hectares with prices starting from \$329,950.

Four of the stunning allotments are vacant land and are awaiting plans for your dream home, and Lot 2 contains an existing residence, just waiting for you to move in.

These allotments are serviced with power and water, and the quiet cul-de-sac is gated, giving you the A-list treatment with a relaxed country feel and a safe environment for the kids.

Conveniently located minutes from Gawler and the Barossa Valley, Eagle Pines treats you to the convenience of shopping in Gawler or relaxing with restaurants and wine tasting in the Barossa.

With our lives getting busier and land sizes getting smaller, this is your chance to acquire a stunning allotment to build your dream home or simply move into one of the beautifully established homes within Eagle Pines - a gated community where you can take a deep breath and relax.
