

WILLASTON - Your Own Piece of Gawler History

\$439,950

This impressive property has been home to three parliamentarians. The most recent of these, local veterinarian, Dr. Bruce Eastick, extended the original late 19th century house in 1964. The result of this extension is the two storey, four bedroom home that is on offer today. With a study and formal reception room, as well as a sitting room, dining room and large, eat in kitchen, there is plenty of room for the whole family.

Set on 1,427m², the property features established gardens, plus multiple shedding, animal runs, rainwater tanks and fruit trees. Situated within walking distance of Xavier College and the Main Street it is the ideal location for a growing family.

This wonderful home is just waiting for some new faces to bring it back to life.
