

DAVEYSTON - Quaint Cottage with a Rural Outlook

\$159,950

Built in 1915, this quaint stone cottage masks the amplitude of the allotment it is constructed on. Boasting 2400m² (over half an acre) of land, and access through the carport, your imagination runs wild with possibilities ? whether you just dream of having a slice of the country-life, or would like room for some animals.

The home itself is looking for a little TLC and offers 2 double bedrooms, eat-in kitchen with original oven and stovetop, spacious bathroom, open fireplace and small shade cloth verandah/sheltered garden area extending from the back of the home. There is also a rainwater tank plumbed to the house, shedding and a single garage.

Located minutes from both Freeling and Greenock, you are able to soak up the peace and tranquillity of such a rural setting, with access to the necessary amenities.
