

BLAKEVIEW - Unique Design, One of a Kind

\$299,950

Set on 870m², this home offers practicality and family living all within its unique design. Its quiet location is close to four schools and shops, and only a few minutes from the Munno Para Shopping centre.

Originally built specifically for wheel chair access, this well presented home boasts an impressive five bedrooms, including an enormous master with walk-in robe and ensuite with spa. The other four bedrooms are all generous in size; two of them feature built-in robes.

As well as a formal lounge, there is an open plan zone comprising of kitchen, meals, and dining. The huge kitchen is a delight, complete with breakfast bar and quality appliances. The whole home is serviced by reverse cycle split system heating and cooling.

Outside is impressive, with a 16.9m x 6m carport / verandah housing up to six vehicles, plus spacious side and rear verandahs. Vast garden space is also available for the family to play safely, with a variety of trees, handyman's workshop, and an additional double garage, ideal for a boat or caravan.

A granny flat with its own bathroom and study complete this huge property, providing fantastic flexibility for its usage. This "one of a kind" property won't disappoint, so call Kies today to arrange an inspection!
