

GAWLER EAST - A Hobby Farm IN Gawler!

\$364,950

Wow! It's very rare that properties such as this come on the market - an amazing 6,100m² (over 1.5 acres) within walking distance to the town centre!

If you are looking for land to keep a couple of horses or start a little hobby farm, you need to come and see this. Set in a wonderfully quiet part of town, there is more to this property than meets the eye. Currently set up for horses, with all the relevant council permits, this property includes a large fenced yard with shelters, a smaller pony-sized yard with its own shelter, and an open paddock which encompasses the entire back half of the property. Water is also run to each of these areas.

Closer to the house there is a separate garden area, perfect for the kids to run around in, with fantastic views over the rolling hills behind Gawler. The property would also lend itself well to other activities, from housing other animals, to growing an orchard, or simply as room to ride bikes.
