

**Renovators Need Apply**

\$179,950

If you are looking for a rural family home with room to move then this property should be on your list. Located 10 minutes north of Gawler in the popular town of Roseworthy, this family home offers a good sized allotment of country living. Close to local schools and amenities, and with easy access to the Northern Expressway, this property is wonderfully convenient, but still offers the potential to breathe in that fresh country air.

This is a two bedroom transportable home and a 6m x 6m, if extensively renovated, would make an ideal home. Or you can knock down and rebuild.

This is a great opportunity to secure a fantastic allotment in a sought after area for future or immediate development.
