

GAWLER EAST - In A Class Of It's Own

\$474,950

This circa 1927 Bungalow is set on over 1100m2. Originally the "Bright" residence and then the family home of the "Causbys" who sold to the present owners. As you would expect the house is of majestic proportions with 13' ceilings and superb timber floors throughout. With 3 bedrooms in the main house and a separate self-contained granny flat the house would accommodate the largest of families, with nearly 30 squares of living space. Together with large central hallway, 2 open fire places, wide verandahs, beautifully established gardens and even your own wine cellar this property is a unique residence rarely offered for sale (only 3 owners since 1927!).

Inspection is a must for any serious buyer looking for a spacious character home in Gawler, only minutes to the main street and all of Gawler's amenities yet offering privacy - certainly in a class of its own.
