

**HILLIER - Retire In Style**

\$89,950

Situated in Stage 2 of Hillier Residential Village is this superbly kept one bedroom home. The stunning home offers large galley style kitchen, large master bedroom with full size built-in robe, walk-through ensuite containing shower, vanity, bath and separate toilet, L-shaped dining and lounge with raked ceilings and exposed timber beams and multiple bay windows. The home also offers wall unit for heating and cooling, fully established gardens, carport, stunning deck to sit and relax and a garden shed.

The stunning home is situated in one of the best positions in the village as you only have one neighbour to the side and to the rear, stunning views of the village garden in front and fabulous view of the foot hills and pastures from the deck and from most rooms of the home.

Why pay hundreds of thousands for others in the park when you can have all this for only \$89,950 with majestic views.
