\$419,950

Set on 2 1/2 glorious, gum studded acres, this recently refurbished home offers 3 bedrooms, main with 2-way bathroom access. Spacious L-shaped formal lounge and dine with built in bar or computer room if preferred. The central hub of the home is the family area overlooked by the sparkling kitchen with Stainless Steel appliances, together with a large laundry and 2nd toilet. The home is comfortable and complete with split system heating and cooling, as well a slow combustion heating and new soft furnishings throughout. As expected in such a lifestyle property there is abundant shedding and a wonderful 9m x 6m workshop with the pergola and rear verandah taking full advantage of the established gardens and breath taking view. Inspection is a must to appreciate this wonderful home and its many possibilities. Call to arrange a time to suit.
