

GAWLER SOUTH - Immaculate Townhouse

\$279,950

Built in 2008 this beautifully located townhouse is the epitome of low-maintenance and convenient living. Offering two huge bedrooms, both with their own stunning bathrooms and the main with courtyard garden and built-in robe.

The living area is open and light-filled, taking full advantage of the 1st floor balcony with views over Gawler. Together with a fantastic kitchen with plenty of bench space, split system heating and cooling on both floors and high ceilings in a contemporary style, this is a wonderful townhouse which has been immaculately maintained and ready for immediate occupation.
